CHOOSE TO MAKE 2024 YOUR GREATEST YEAR YET AS A LEADER, HUSBAND, FATHER AND MAN

"Being in the group for 2 years now has impacted me greatly well beyond coaching and leadership. **It has taught me that we don't have to isolate ourselves and that being vulnerable and real with other men is transformational.**"

John Dunning  
5 x National Championship Coach  
Stanford University and University of the Pacific

"Enlisting the help and support of Geoff has meant all the difference to my work, career, and family life over the last 12 months. Geoff will patiently listen to challenges I am dealing with, both personally and professionally, and can articulate the problem back to me in simplistic terms. **As someone who constantly measures return on investment for business decisions, I can wholeheartedly say my investment in Geoff has paid off tremendously.**"

Mark Merz  
Former SVP, Booz Allen Hamilton  
COO, Liberty IT Solutions

"**Being with Geoff and this community of men has shown me that I am not alone in trying to balance my family and professional worlds.** More important and surprising was how much this experience has positively challenged me to grow as a leader, as a coach and as a man."

Travis Hudson  
15x Coach of the Year  
Head Coach at Western Kentucky University
